Dear Mr. Scott:

RE: Phase II Wireless 9-1-1 Service Request

In compliance with the FCC Rules and Orders that wireless carriers are to provide Phase II of Wireless 9-1-1 Service within six months of a request from a 9-1-1 authority. This letter is our official request for a meeting to discuss implementation of Phase II Service in our service area.

I suggest that we schedule a meeting with your 9-1-1 manager within the next two weeks at my office to discuss the implementation process. Please ask that your 9-1-1 manager contact me within a week to set up a meeting date and provide me information about your staff members that will be attending.

This meeting is important to assist us in understanding your Phase II plans and to be certain that we are doing our part to assist your implementation. We expect to discuss such issues as timelines for deployment, responsibilities, and discussion about the characteristics of the location technology that you have selected.

We plan to also request representatives of our local exchange carrier and equipment vendors to attend the meeting and discuss important network issues and technical issues.

I am looking forward to working with you on this project. If you have questions please call me (513) 825-2170 or email me at bill.hinkle@hccc.hamilton-co.org.
